## Amazing Facts by Brian Mills

The Amazing Facts prophecy seminar is fast approaching. The seminar starts on Friday October 14 at the Grain Valley Community Center. Are you ready?

Remember, for this to be a success, we need everyone in the church participating in whatever ways they can. We need people to set up and tear down the stage, chairs, and other equipment every night. We need people to greet visitors as they arrive to the seminar each night. We need people to collect the offering and the prayer request / comment cards each night. We

need people to provide child care for the parents who are attending. We need people to help with registration.

As you can see, we need people to do a lot of different things for the meetings, and many of you may not be able to do all of them or even attend the seminar each night. There are two things anyone can do, though, and they happen to be the two most important things you can do to help make sure the seminar is a success: You can pray for the seminar and the visitors who will be attending, and you can invite your friends and family to attend.

Many of you have signed up to assist with the nightly tasks of the seminar, and for that we are very thankful. If you haven't signed up and you would like to help out in any way, please see Connie Hickman or Colleen Vest, and they'll make sure to get you on the list of helpers for the nights you can attend. Don't forget, though, that each and every one of you can pray, and all of you can invite your friends and family to the seminar. Let's plant some seeds of faith and watch God work as we prepare for the harvest!
